

The Galveston Art League proudly announces that Don Henderson will be the featured artist during the upcoming November show at the Gallery. Don is a local artist with a portfolio of paintings that reflect the ambiance, beauty, and charm of Galveston.

In 1957, Don Henderson and his new bride honeymooned on Galveston Island. They fell in love with the island and made Galveston their permanent resident in 1962 following Don's graduation from the University of Texas Dental School in Houston and service in the Air Force. Don practiced dentistry in Galveston for 38 years before trying his hand at painting; and in 2005, he completed his first painting at the age of 69. Don lives with Louise, his wife of 52 years, and together they continue to enjoy the many benefits that the island has to offer.

Please come by the Galveston Art League at 2117A Postoffice Street and enjoy Don's renderings of snippets of life on the island. In addition to the featured works by Don, there will be numerous other artists in this show. The new show will open October 29 and run through the end of November. The Gallery is open Thursday through Sunday from noon to six in the evening.

Don and his family will host a reception on Saturday, November 21 from six until eight in the evening.
